

LINDA THREADGILL: *Cultivating Ornament*

*Rosette Brooch*

*Tea Infuser*

LINDA THREADGILL  
*Cultivating Ornament*

Mobilia Gallery  
358 Huron Ave, Cambridge MA  
June 1st - 30th, 2011

*"I am keenly interested in the way that decorative patterns have evolved from the study of natural forms.*

*"My designs originate from patterns and shapes in nature and are translated into ornamental motifs through abstraction, stylized repetition and symmetry.*

*"The Rosette Brooch Series displays exuberant delight in multi-layered fanciful natural forms, emphasized by texture, color and the inherently unique quality of each handmade form."*

*- Linda Threadgill*
